

Powering Performance... Company-wide

Bringing Ease, Speed and Flexibility to Document Imaging

Built for durability and efficiency, the Copystar CS 5500i delivers all the functionality your document imaging requires. Clean, sharp black & white output at an impressive 55 ppm will be yours day-in and day-out, while advanced finishing options add professional quality to reports, proposals, and more. A broad range of features, including color scanning, USB Host interface and optional fax offer enhanced functionality, which can be further optimized with powerful and scalable integrated business applications to help simplify your document workflow.

Award-winning ultra-reliability and unique long-life technology ensure superior performance, proven productivity and maximum efficiency. When it comes to document imaging innovation and quality you can rely on, the CS 5500i delivers.

Innovation for Your Office through Feature-Rich Design

The CS 5500i is strong on features and configurations, offering the flexibility to scale your MFP to the specific needs of your enterprise. It's all about feature-rich design with a focus on value and exceptional color functionality.

- An integrated 10.2" Color Touch-screen Control Panel offers outstanding clarity and easy viewing. Intuitive prompts, on-board help guidance and accessibility display, make programming your jobs from the device quick and effortless.
- Robust connectivity features including standard Gigabit Ethernet, offer seamless integration within virtually any network environment or platform.
- The ability to choose between an optional 175-sheet Dual Scan **Document Processor** or a 100-sheet Reversing Automatic Document **Processor** enables super fast scan speeds of up to 160 images per minute.
- A standard USB Host Interface provides convenient print-from or scan-to capabilities for today's 'on the go' workforce in XPS, PDF, JPEG and TIFF.
- The optional 4,000-sheet and 1,000-sheet finishers provide the professional touch your output deserves. Add the 7 bin mailbox and booklet/trifold unit to the 4,000-sheet finisher, and you can efficiently handle large production runs in-house, optimizing time and minimizing costs.
- Copystar's long life technology and 'class leading' drum yields deliver extended preventive maintenance intervals and maximize device "uptime". This adds up to ultra-reliable operation and a low total cost of ownership.
- Kyocera Command Center RX, the MFP's embedded web home page, gives you the remote access you need to check device status, establish system settings, or access stored Document Box files from your desktop.
- An impressive toner yield of 35,000 pages allows you to run high quality, longer print jobs in crisp black & white, maximizing productivity and minimizing interruption.

Only From Kyocera

Kyocera Mita Corporation is a global leader in the digital imaging industry, with an award-winning line of Copystar multifunctional systems and ECOSYS laser printers, products that consistently set the standard for high performance, superior image quality, ease-of-use and durability. Along with a full complement of advanced business applications and networking solutions, Kyocera's robust product line supports your need for maximum productivity at minimal total cost.

Kyocera continually strives to raise the bar for excellence in both products and service for exceptional results you and your business can count on.

Keeping the Future Green

Kyocera is committed to pursuing a harmonious developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising your productivity.

The Power to Take Control of Everyday Tasks and Keep Information Moving

Information is your most important business asset, and you need a 'no holds barred' document imaging system to keep it flowing seamlessly. The CS 5500i raises the bar on core functionality with unparalleled efficiency:

- Crisp print and copy output capabilities power your communications via robust paper handling up to 12" x 18" and 110 lb cover, plus a remarkable 7,150 sheet paper capacity option for long print runs and minimal interruptions.
- Secure Document Box lets you keep frequently used documents close at hand for hassle free printing, secure file sharing and pin-based Private Print.
- Pre-program and store commonly used copy, scan and print settings at the control panel and the KX Driver to simplify your daily tasks.
- Optional Super G3, LAN Fax and Dual Fax capability add versatility while leveraging your investment in an MFP.

A Master at Multitasking

Your business is non-stop, and requires an MFP that can stay up to speed. The CS 5500i has the power you need to perform simultaneous document processing tasks. Its super fast 600MHz processing speed plus standard 1GB of RAM and 160 GB of Hard Disk Drive space support excellent all-in-one productivity. Now you can produce a large print run, scan documents for electronic storage, have dual fax lines and utilize advanced finishing

capabilities all in one high speed black & white MFP. The CS 5500i's maximum uptime will keep your processes going quickly and seamlessly so you never miss a beat.

Enhanced MFP Performance... Powered by HyPAS®

Enhance your CS 5500i's capability with unique and scalable business applications, powered by HyPAS –Kyocera's powerful software development platform. These applications, developed by Kyocera or by our third-party solution partners, allow your business to further optimize your Copystar MFPs' "out-of-the-box" performance. Kyocera applications transform your MFP into a powerful resource that suits your existing document imaging and workflow needs today, as well as delivers the flexibility you need for tomorrow.

Our expanding suite of business applications include:

- Capture2Go Mobile printing and scanning for your Apple iPhone, iPad and iPod Touch.
- OpenText RightFax Scan and send documents to the RightFax server directly from Copystar MFPs for full fax server integration.
- SharePoint Connector Microsoft SharePoint users can scan documents into their SharePoint folder and search/print directly from the Copystar MFP control panel.
- Card Authentication Authenticate, Authorize and Track individual MFP usage with the simple swipe of a HID-card.
- DMS Link Connect your Copystar MFP to popular document management systems like SentryFile and Laserfiche for document capture and routing.
